

REMARKS

Claims 28, 32-34, 40-42, and 47-52 are pending in this application. Claims 1-27, 29-31, 35-39, and 43-46 are canceled. Claims 27, 28, 32-36, 40-43, and 47-52 have been rejected. In view of foregoing amendments and following remarks, the Applicant respectfully requests allowance of the Application.

Claim Objection

Claim 35 was objected to for allegedly failing to further limit the subject matter of a base claim. Although the objection may not be agreed with, to facilitate the matter, claim 35 has been canceled, thereby rendering moot the objection to claim 35.

Allowable Subject Matter

Claims 32, 33, 40, 41, 47, and 48 were objected to for depending from rejected base claims, but are otherwise considered allowable if rewritten into independent form incorporating all of the features recited in their respective base claims.

Claims 32, 40, and 47 have been rewritten into independent form by incorporating their respective base claims. Therefore, claims 32, 40, and 47, and their respective dependent claims 33, 41, and 48 are in condition for immediate allowance.

Claim Rejection Under 35 U.S.C. § 103(a)

Claims 27, 28, 34, 35, 42, 43, and 49-52 were rejected under 35 U.S.C. § 103(a) as unpatentable over U.S. Pat. No. 7,472,379 ("Chessell"), in view of U.S. Pat. No. 6,735,569 ("Wizig").

As a preliminary matter, claims 27, 34, 35, and 43 have been canceled, thereby rendering moot the anticipation rejection of claims 27, 34, 35, and 43. Further, the Examiner will note that claims 28, 43, 49, and 50 have been rewritten to depend from the allowable independent claims 32, 40, and 47, respectively and are therefore allowable for at least the same reasons as claims 32, 40, and 47. Further, claims 51 and 52 have been rewritten to

include features analogous to claims 47 and 32, respectively and are therefore allowable as claims 47 and 32, respectively.

Accordingly, all pending claims 28, 32-34, 40-42, and 47-52 are allowable.

CONCLUSION

All outstanding rejections have been overcome. It is respectfully submitted that, in view of the foregoing amendments and remarks, the application is in clear condition for allowance. Issuance of a Notice of Allowance is earnestly solicited.

Although not believed necessary, the Office is hereby authorized to charge any fees required under 37 C.F.R. § 1.16 or § 1.17 or credit any overpayments to Deposit Account No. 11-0600.

The Office is invited to contact the undersigned at 212-908-6380 to discuss any matter regarding this application.

Respectfully submitted,

Date: April 19, 2011
